

CNSTANDTRV C05-191

Portable Notebook Stand Travel

By using this portable notebook stand on your desk, your back and neck will be relieved and the risk of RSI will be reduced. You can adjust it in 6 different work positions, between 20° and 45°. It is easy to use and comfortable to take with you when you are traveling as it is completely foldable and only weights 600 gram! The notebook stand brings your notebook on a comfortable position to work at your desk and improves the air circulation around your notebook at the same time! It has a built-in swivel base for easy 360° rotation.

Highlights

- 6 adjustable positions 20° and 45°
- Weighs only 600gr.
- Steady aluminium design
- Built-in swivel base for 360°
